WHY BUY NEW?

A New Home, With Room To Make It Yours

Depending on the project, available inventory and stage of construction, you may be able to choose an apartment's floor, layout or orientation.

Choose The Home That Fits

Know what to ask, what to clarify and when another professional should be involved.

Explore Finishing Options

Think through value, competition and your limits before entering or continuing a bid.

Plan The Move Ahead

Understand the project stage, expected handover and payment milestones.

What You Need to Know

From The First Plan To Your Front Door

- **Start with your priorities** –
  - Discuss your preferred location, space, budget and moving timeframe with Reuven.
- **Compare projects and apartments** ⌄
- **Review the details** ⌄
- **Follow the project through to handover** ⌄

Understand The Details Before You Decide

- **When could you move in?** –
  - Every development has its own schedule. Ask about the current construction stage, expected handover and milestones still ahead. Share your preferred moving date with Reuven.
- **What should you ask about Inflation (Madad)** ⌄
- **Can you choose your kitchen and tiles?** ⌄
